

3 Steps to Using Your eGift Card

1 Choose it

Choose from many popular merchants —by category or by name—at the eGift Card store. Then add the eGift Card you want to your Shopping Cart.

Review your Shopping Cart, double check your email, submit your order.

2 Check it

A secure link to your eGift Card will arrive in the email you submitted within minutes.

Check your email. Click the link to see your eGift Card.

3 Use it

Online, in-store, or on your smartphone. Just present your eGift Card number to the merchant at check-out and the item you selected is yours.

Don't sweat it: {
